Help Redefine Weekend Care — One Shift at a Time

At True.Vet Sugar Grove, we're building a better way to do veterinary weekends — thoughtful, efficient, and supported. Whether you're a seasoned technician, a rising assistant, or a client service professional, this is your chance to contribute to a modern, team-centered model that actually works.

We're looking for compassionate, reliable, growth-minded individuals to support our weekend operations. You'll help deliver walk-in and urgent care services in a tech-enabled, well-designed space that makes your workday smoother.

Why These Roles Are Different

- Premium weekend-only scheduling — work consistent hours without weekday commitments
 - Small, collaborative team with strong communication and mutual support
 - Digital tools that reduce chaos — smart scheduling, integrated telehealth, and streamlined workflows
 - **Independently owned** — no quotas, no micromanagement, no corporate burnout
-

Roles Available

Certified Veterinary Technician (CVT)

Perform anesthesia, assist with procedures, triage urgent cases, educate clients, and help guide

assistants — all with autonomy and support. Opportunities to grow into leadership or training roles as our team expands.

Veterinary Technician (Non-Credentialed)

Support diagnostics, surgery prep, recovery, and general care. Use your experience to provide excellent technical support while building new skills in a judgment-free, teaching-oriented environment.

Client Concierge / Experience Representative

Be the first and last point of contact for weekend clients. Help manage scheduling, check-ins, telehealth coordination, and client communication with warmth and confidence.

A Weekend System That Works

We've designed our hospital with weekends in mind — balancing walk-in flexibility with realistic flow and full team support. You'll work in a beautiful, modern space that reflects our mission: to make veterinary care more accessible, sustainable, and rewarding for everyone involved.

About the Practice:

True.Vet Sugar Grove offers:

- Same-day care and urgent care access
- Preventive services and wellness support
- In-house diagnostics, surgery, and dentistry
- A **membership-based model** that keeps client relationships strong and predictable

Whether you're looking to pick up a few hours a week or become a go-to weekend team member, you'll find a supportive, mission-driven environment waiting for you here.
