

## **Veterinary Technician (Non-Credentialed) – True.Vet Sugar Grove**

**Location:** Sugar Grove, IL

**Schedule:** Full-time or Part-time | Some weekend shifts required

**Starting Pay:** \$18/hour

---

### **Step Into a Role That Respects Your Skills — and Grows Them**

At True.Vet Sugar Grove, we believe great veterinary care isn't defined by credentials alone — it's about skill, teamwork, and a commitment to doing what's best for pets and people. We're looking for experienced, non-credentialed veterinary technicians who are ready to practice at a high level in a modern, independently owned practice.

Whether you're on the path to becoming a CVT or you've built your experience through years on the floor, this is a place where your knowledge will be respected, your ideas will be heard, and your career will continue to grow.

---

### **Why This Role Is Different**

- **\$18/hour starting pay**
  - Work alongside experienced DVMs and CVTs in a high-trust, collaborative environment
  - On-the-job training to expand your technical skillset — including surgery, dentistry, and urgent care
  - Modern tech systems that reduce busywork and streamline care
  - **Independently owned and operated** — no corporate red tape, no quotas
- 

### **What You'll Do**

- Assist with patient care during appointments, diagnostics, and procedures
  - Provide support for surgery prep, recovery, and post-op monitoring
  - Help manage lab samples, imaging, and in-house diagnostics
  - Contribute to client education and communication
  - Collaborate with a team that values experience, curiosity, and compassion
-

## Support That Works

Our hospital is built around efficiency and empowerment — from digital records and **smart scheduling systems** to **telehealth platforms** that help our clients and team stay connected. You'll have the tools you need to focus on care, not chaos.

Walk-ins are welcome, but not overwhelming — we've designed our systems to ensure a steady, manageable flow that respects everyone's time.

---

### About the Practice:

True.Vet Sugar Grove offers:

- Preventive and wellness care
- Same-day urgent care and diagnostics
- Surgery and dentistry (with mentorship if you want to expand your skills)
- A **membership-based model** that prioritizes continuity and connection

This is your opportunity to bring your skills to a practice that values your contribution and supports your future. Let's redefine what veterinary teamwork can look like.
